

It's Time To Get Connected

UGI Utilities is sponsoring your school with STEM Premier - Showcase your skills, match up with scholarships, and discover opportunities within UGI Utilities.

STEM Premier is a platform where students, from middle school through college, can build virtual portfolios* displaying their academic and technical STEM skills, match up with scholarship opportunities, receive guidance, and connect directly with colleges and companies like **UGI Utilities**.

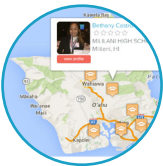

Benefits To Students

Virtual Portfolio

Build your virtual portfolio* showcasing your skills and abilities - then share your profile digitally or export to a **printable resume**.

Visibility

Colleges and companies can search for talent, view your profile, and send a **direct message** to start a conversation.

Discovery

Explore a growing list of **college and company profiles** on STEM Premier to learn more about their programs and opportunities.

Scholarships

Students get matched with over **\$20 billion** in financial aid through scholarship matching engine **Red Kite®**

Recognition

Earn your star rating** based on profile strength, and display digital badges like the upcoming **ACT WorkKeys®** badge.

Involvement

Discover membership organizations on STEM Premier with similar interests as you like **SME** - and get involved.
