Greetings!

It is my privilege and honor to share the Spring edition of the 2018 Jersey Shore Area School District Newsletter. As most of you are aware, the safety and security of the Jersey Shore Area School District students and staff is of utmost importance. It is also important to note the District has a comprehensive crisis plan. District administrators coordinate closely with emergency management officials and law enforcement representatives to monitor and update plans on a regular basis. Schools have well-established security measures to ensure the wellbeing of students and staff. This newsletter highlights some of the events, which occur across the district to ensure the safety and security of all.

We have also highlighted a few of our student groups and events that continue to be a source of pride for the district. We have again been very fortunate this year to have many areas of success, all due to the work and dedication of our wonderful students, teachers, staff and families, which choose to live and/or work within our district.

We would not be successful without the continued support and encouragement from all of you. With your help, we continue to learn, grow and succeed in all that we do. Thank you for all you do to support our students and staff. As always, please feel free to call or e-mail with any celebrations, concerns or learning opportunities you would like to share. You are an important member of our team.

Go Bulldogs!
