Parking Regulations

Student Parking

The Jersey Shore Area School District provides student transportation to and from school through contracted bussing services. Parking personal vehicles at Jersey Shore Area Senior High School is a privilege for junior and senior students.

We want students to be safe in their travels to and from school. With the morning and afternoon commutes, the parking lot can become congested and busy. There are a limited number of parking spaces available at the high school. Student parking is located in the lower portion of tier 2, tier 3, (Orange lot) and around the track fence (Black lot). Students must have an approved JSHS parking permit displayed on the rear-view mirror in order to park in these lots.

Students must accurately complete the Parking Application and meet the academic and disciplinary guidelines. If approved, students will be issued an orange or black parking permit. Students should report directly to the school building after parking. "Parking issues" is not a valid excuse for tardiness.

The following regulations will be adhered to by all student drivers. Upon signing the contract, I agree to the following:

- Parking is a **privilege**. Students must meet academic and disciplinary guidelines.
- The "parking permit/decal" will be displayed on the back of the review mirror at all times.
- Students must back into the parking spaces.
- Adhere to all traffic signs and speed limits (**15 mph**) on school property. Stay in your lane when exiting. Yield to busses.
- Access to a vehicle during the school day is limited and only allowed by permission through the main office.
- Once parked, report directly to the school. Please don't loiter in the lot.
- Student vehicles are not to be used as a locker. Student access to their vehicles is limited to emergency or extenuating circumstances only.

- Student parking is available in **tier 2, tier 3** and along the **track fence**. Visitor and Staff spaces are reserved.
- Drivers must be completely stopped before picking up any passengers.
- Students are responsible for reporting updated vehicle information to the main office.
- Students who allow an underclassman to use their parking decal for any reason will lose their parking privileges for a period of time.
- Students will conduct themselves in a manner consistent with good citizenship and safety.
- Violations of these regulations and/or reckless /careless driving of any kind may result in disciplinary action, traffic citations, and/or loss of privilege.
 - First Offense:** Permit suspended for twenty (20) days.
 - Second Offense:** Permit suspended for forty-five (45) days.
 - Third Offense:** Permit suspended for the remainder of the school year.
- Any act that is a chargeable violation of the PA Vehicle Code (Title 75) will result in immediate revocation of the parking permit by school administration
