

April 14, 2020

Dear Families,

It has been an unusual and unprecedented month since our schools were closed. We miss seeing all of you in person and interacting with your children each day. We would like to provide a few updates for your elementary students at this time.

- Third marking period report cards will be mailed to you at the beginning of May.
- You should soon be receiving your student's district email and password if you did not already have this. Ensuring that all elementary students have a district email will provide us one more way of communicating with you and sharing information. Student email can be accessed by going to www.jsasd.org and clicking on the envelope icon on the right side of the screen.
- Please check your student's email account on a regular basis. You may receive district communication as well as educational activities from your child's teacher.
- If you do not have internet access, please contact your child's teacher or principal.
- Jersey Shore Area School District's Continuity of Education plan is available on the district website. This explains the educational opportunities the district is offering to students during the time of school closure due to COVID-19.

Above all, we hope that you are all staying safe and healthy during this time. Please do not hesitate to contact your building principal if you are in need of anything from internet access to emotional/mental health resources to food or basic necessities.

Thank you for your partnership in education and your continued patience and support during these unprecedented times.

Sincerely,

Adrienne J. Johnston, Principal

Jersey Shore Area Elementary School

ajohnston@jsasd.org

Jon Jean, Principal

Avis and Salladasburg Elementary Schools

jjean@jsasd.org

Jennifer Berry-Propst, Assistant Principal

Jersey Shore Area Elementary School

Jberry-propst@jsasd.org
