Students are strongly encouraged to make the effort to come to the building during the assigned dates and times, scheduled by student's last name. Please observe the below procedure during this time period:

- Enter the building **ONLY** through the Main Entrance
- Students **MUST** wear a mask to enter the building
- Students are to take items to the appropriate teacher's classroom so teachers can organize materials at a later date
- Return all textbooks and other class materials to the classroom – Place in designated area
- Return library books to the book drop in the hall outside of the library
- Seniors **ONLY** will return iPads
