Dear Families,

At Lifetouch, we love being a place where you can capture memories, stay connected to your loved ones, and build community. In the midst of the COVID-19 crisis, we will continue to be that place where you can share, connect, and watch your children grow.

Due to the unscheduled school closures, we haven't been able to distribute the picture packets as we have in the past. In order to ensure we are following the social distancing guidelines; portrait packages will not be sent home this year. As we do not want this to be the year without photographic memories, your portraits are available and can be purchased. Please [Click Here](#) to be provided your personalized access code and ordering information.

We appreciate your patience and most importantly, we thank you for inviting Lifetouch to help capture, preserve, and share the story of this extraordinary school year.
