May 18, 2020

Hello Salladasburg families!

It is almost time to close out this unusual and unprecedented school year. We thank you for your patience, support, and dedication to your children over the past two months. While we cannot hold our usual end-of-year celebrations and programs, we need to make sure everyone receives their personal items from their classrooms, as well as any other items teachers may need to distribute to students.

We have developed a schedule for you to pick up your children's personal belongings from Salladasburg Elementary. The schedule below details the days and times for each grade level. During your child's designated pick up time, we ask that you wear a mask, enter the bottom parking lot while proceeding to the upper parking lot and stop at the main entrance of the school, open your trunk, and stay in your vehicle. You will give a staff member your child's name and teacher's name, and another staff member will retrieve your child's belongings and bring them to your car.

At your scheduled time, we ask that you also bring back any items belonging to the school that your child might have at home. For example, your child may have library books, textbooks, their debit card, books from their teacher's classroom library, or other items that need to be returned. Please place these items in your trunk before leaving your house, and a staff member will remove them when they place your child's belongings in your trunk.

Kindergarten and fifth grade students will be receiving a few additional items that they typically would have received at their end-of-year programs. You will receive additional information from your child's teacher if they are in kindergarten or fifth grades.

If your child has any medications or supplies in the nurse's office that need to be picked up, they will be available at this time as well. When you arrive in the car loop, please tell the staff member on duty that you have items you need to be picked up from the nurse. Please email our school nurse, Doreen Eisenhauer, at [deisenhauer@jsasd.org](mailto:deisenhauer@jsasd.org) if you have any questions regarding medications.

If you have any other questions or concerns, please feel free to email, [jjean@jsasd.org](mailto:jjean@jsasd.org) or call Mr. Jean at 570-279-6999.

Thank you for your patience and cooperation during these trying times!

Sincerely,

Jon S. Jean, Principal
