Medical Forms Cover Letter

In order to get to know your child and complete his/her registration, certain medical forms are necessary. Attached are the following forms that need to be completed for registration:

- Health History (Form A)
- Medical Screening Acknowledgement (Form B)
- Private Physician's Form of Physical Examination (Form C)

Upon entering into school in **grades K or 1 and in grades 6 and 11**, all students are required by the Pennsylvania State Health Department to have a physical exam. If your child will be seen by your family health care provider, please have the enclosed Commonwealth of Pennsylvania Department of Health Form #H511.336 (JSASD Med. Form C) completed and returned to the school as soon as possible. **The exam must be performed within one year of the start of the school year.**

- Private Dentist's Form of Dental Examination (Form D)

Upon entering into school in **grades K or 1 and in grades 3 and 7**, all students are required by the Pennsylvania State Health Department to have a dental exam. If your child will be seen by your family dentist, please have the enclosed Commonwealth of Pennsylvania Department of Health Form #H514.027 (JSASD Med. Form D) completed and returned to the school as soon as possible. **The exam must be performed within one year of the start of the school year.**

Please return the completed form(s) to the nurse at your child's school. If you have any questions please contact the school nurse and/or if you prefer to have the form faxed, use the appropriate numbers below:
