## Student Parking

The Jersey Shore Area School District provides student transportation to and from school through contracted bussing services. Parking personal vehicles at Jersey Shore Area Senior High School is a privilege for junior and senior students.

Students must accurately complete the Parking Application available through the PowerApp on the iPad. If approved, students will be issued a parking permit. The number on the pass will correspond to the space assigned. There are a limited number of parking spaces available at the high school. Student parking is located in the lower portion of tier 2, all of tier 3, and around the track fence. Spaces are assigned on a first-come, first-served basis. Students must have an approved JSHS parking permit displayed on the rear-view mirror in order to park in these lots.

Students who park without a pass will be ticketed. Accumulation of excessive tickets will result in towing of the owner's car at the expense of the owner.
