

Kindergarten Readiness Camp 2023

Starting school can be an exciting and anxious time for families. There are many factors to consider when deciding if your child is ready for kindergarten. These factors may include maturity, motor skills, attention span, and age. Kindergarten expectations have changed a lot over the years and a key factor to your child's success is his or her readiness for school. By the end of kindergarten, students will be reading, writing sentences and computing addition and subtraction.

In order to provide the best learning experience for your child, and ease them into school, JSASD is once again providing a Kindergarten Readiness Camp for all incoming kindergarten students.

If interested, please scan the QR code to access the online registration form. Thank you for considering the best way to begin your child's educational experience.
