LEARNING | GROWING | SUCCEEDING

Jersey Shore Area Middle School

September 13, 2024

Dear Middle School Families,

The After-School Program is set to begin at the Middle School this coming week. It will take place on Wednesdays from 3:30-4:30pm in our library. During this time, students will have the opportunity to work with some of our staff on completing school work, remediating skills, and getting additional assistance preparing for upcoming assignments and assessments. This opportunity is open to any student that is interested. Families are able to pick students up at the front of the building at 4:30pm, or students may walk home. Unfortunately, due to the loss of our grant funding, we are unable to offer bus transportation at this time.

There is no sign-up process for the After-School Program, nor is a weekly commitment required. Students may simply report to the library on Wednesdays after school, provided their families are aware they are going to stay and arrangements have been made for getting home.

If you have any questions about the After-School Program, please don't hesitate to reach out to your student's teachers or the office. At the end of this letter is a list of the dates we will be holding the After-School Program this year. We look forward to offering this helpful opportunity to support your student's success in the Middle School.

Sincerely,

Dr. Tara Battaglia
Principal
Jersey Shore Area Middle School
