

Dear Graduating Senior,

GIRLZ IN THE HOODIE (GITH) is a Williamsport-based nonprofit organization founded in 2016 dedicated to comfort women living through the experience of breast cancer treatment. At no cost, GITH provides them a front-zip hooded sweatshirt (designed, manufactured and trademarked exclusively for GITH) that can be comfortably worn following their operation and during chemotherapy. To learn more information about Girlz in the Hoodie and our mission, please visit www.girlzinthehoodie.com.

Since 2019, GITH has offered an **annual scholarship of \$1,000** to local high schools in the greater Williamsport area. **The scholarship is awarded to one graduating senior from each high school who is furthering their education and has a guardian that is a breast cancer survivor/in remission, has a mother/primary female caregiver who is currently battling breast cancer and undergoing surgery and/or chemotherapy, or lost their biological, adoptive or stepmother to breast cancer at any time in their life.** The scholarship recipient must also meet the criteria below.
