High School Happenings

Scheduling for next year!

It's hard to believe, but students will be starting the process for choosing classes for the 26-27 school year soon. Counselors will visit classes to talk about the course selection process in February and will meet one-on-one with students throughout the spring to pick classes that align with their post-secondary goals.

School-Day SAT Testing

Jersey Shore High School will be offering a school-day SAT test on March 11, 2026. This gives juniors and seniors the opportunity to test in a familiar environment with test proctors they know!

Registration and payment for the school-day SAT test will be due in the guidance office by noon on February 2, 2026.

Field Trip!

Students in grades 8-12 who have indicated an interest in a law enforcement career attended a field trip on January 21st to participate in the PA State Police "Game of Life" day! They were able to learn about all types of careers in law enforcement!

Upcoming Events

- Semester two begins January 16th
- Report Cards - January 23rd
- ASVAB Testing for Career Exploration in 10th grade will be on February 6th & 9th

Snow Make-Up Day!

School will be in session on Friday, February 13th for a snow make-up day!

Scholarships for Seniors!

Did you know that we gave away over \$173,000 in scholarships and awards to our graduating seniors last year? There are so many scholarships available to seniors who meet certain criteria, such as a specific college major, if they played sports or were involved in extracurricular activities, certain hobbies they enjoy, or even if they have overcome an obstacle in their life!

There are also several scholarships that are RENEWABLE--that means that students can apply for them every year they are in college! What a great way to save on college costs!

Please visit the high school scholarship website at <https://www.jsasd.org/scholarships/> to see all the opportunities available to our graduating seniors. Keep checking back frequently, as the website is updated throughout the spring.

You can contact the high school guidance office with any scholarship questions!
